3. STALLION: Leitachic is N/N for all AQHA 5-Panel tests, and N/N for IMM and OLWS. (per UC Davis)

4. MARE: Return a copy of Mare's registration with this contract. Paper or digital copies are acceptable. The Mare Owner on the registration papers is automatically recorded on the Stallion Breeding Report.

MARE SUBSTITUTIONS: Mare Owner may substitute a mare other than the Mare designated by this Contract at no charge up until the first shipment, first cover or insemination. Afterwards, we require a

statement by a licensed veterinarian that the original mare is not in foal in order to substitute a different mare. (In the event that more than one mare becomes pregnant per paid breeding, only one foal will be registered unless Mare owner pays a second stud fee.)

5: LIVE FOAL GUARANTEE: The Live Foal Guarantee pertains to mares that are confirmed in foal in 2023. The LFG covers only the stallion fee - collection and shipment fees, or chute fees, still apply to rebreeds. Rebreed shipment or live cover will be honored upon payment of those fees.

We guarantee a foal that stands, nurses and maintains normal bodily functions for 72 hours.

The Live Foal Guarantee follows the mare.

6: FOAL REGISTRATION: Stallion Owner guarantees to pay for and file Stallion Breeding Reports with AQHA. (Other registries require additional fees/paperwork.)

**Only foals for which a Stallion Breeding Report have been filed are eligible for registration.** SBRs filed after Nov 30, 2023 are subject to a late fee and will be filed only after this fee is paid to Stallion Owner.

We release Breeders Certificates on-line, and will also mail paper copies upon request. Registration of the foal is the responsibility of the Mare Owner. Let us know if you need help with that process.

7. SEMEN REQUEST PROCEDURE: Complete the COOLED SEMEN TRANSPORT INSTRUCTIONS form and return via mail or email.

No guarantee is made that semen can be shipped on any given day, however we do our best to custom collect per Mare Owner's needs. We do not have preset collection days.

**Requests for shipment must be made three days prior to requested shipment.** Semen order **cancellations** must be made prior to 8:00 AM Pacific Time the day of collection. Mare owner is responsible for the cost of collection and/or shipment if order is not cancelled before collection and/or shipment takes place.

8. ADDITIONAL SEMEN SHIPPING CHARGES: In the event additional shipments are required per paid breeding, mare owner is responsible for collection and shipping fees.

Counter-to-counter shipments may be arranged based on airline rates and courier fees.

We do not ship outside of the United States.

A shipment of semen consists of a minimum of one (1) dose. Whenever possible we send two (2) doses. This depends on the number of semen requests on a collection day. Stallion Owners warrant that at the time of shipment, the semen conforms to the data contained in the cooled semen shipment report submitted with the shipment. If for any reason semen does not meet our standards, we will notify Mare Owner immediately. **We are not responsible for the untimely delivery or condition of cooled-shipped-semen upon delivery as we have no control of the shipment after receipt of carrier.**
