... to breed a Mare to the Stallion, LEITACHIC, AQHA REGISTRATION # 4053105

The Mare Owner warrants to be the owner, lessee, or authorized agent of the above named Mare.

2. FEES: Please check one of the following: Each includes \$200 booking fee.

A. COOLED SHIPPED SEMEN for 2022 is \$1000, includes the first shipment via FedEx Priority Overnight Delivery. (Additional shipments \$400 each. If you can pick up semen there is a \$120 discount.)

B. LIVE COVER is \$1000, includes \$250 chute fee to White Quarter Horses. Mare care may be extra and is payable directly to Brad White, White Quarter Horses, stallion manager, at \$12 per day without a foal at the mare's side, \$16 per day with a foal.

C. ON-SITE COLLECTION AND INSEMINATION approximately \$1000.

**Please Note:** We have absorbed all increases in costs to date, but with the challenges over the past two years, veterinary and FedEx charges are unpredictable and subject to change. We will continue to do our best to minimize these impacts to mare owners.

ADDITIONAL FEES FOR APHA OR ApHC BREEDING/REGISTRAITON: \* \_\_\_\_\_

\* Association fees vary. Please contact us in advance if you plan to register with these breeds.

***Breeding fee must be PAID IN FULL prior to semen being shipped or mare being covered.***

No guarantee is made that semen can be shipped on any given day, however we do our best to custom collect per Mare Owner's needs. We do not have preset collection days. Paid breedings entered into the 2022 book have first priority.

3. STALLION: Leitachic is N/N for all AQHA 5-Panel tests, and N/N for IMM and OLWS. (per UC Davis)

4. MARE: Return a copy of Mare's registration with this contract. Paper or digital copies are acceptable. The Mare Owner on the registration papers will be recorded on the Stallion Breeding Report, per AQHA, APHA and ApCH policy.

MARE SUBSTITUTIONS: Mare Owner may substitute a mare other than the Mare designated by this Contract at no charge up until the first shipment of semen has been made, or first cover or insemination. After the first attempt, we require a statement by a licensed veterinarian that the original mare is not in foal in order to substitute a different mare. In the event that more than one mare becomes pregnant per paid breeding, only one foal will be registered until Mare owner pays all requisite fees for a second breeding and any applicable registration fees.

5: LIVE FOAL GUARANTEE: The Live Foal Guarantee pertains to mares that are confirmed in foal during the 2022 season. If the Mare aborts during 2022, Mare Owner has the option to rebreed in 2022, or to wait until the 2023 breeding season.

We guarantee a foal that stands, nurses and maintains normal bodily functions for 72 hours.

The Live Foal Guarantee follows the mare. It applies if the mare changes ownership or is leased.

6: FOAL REGISTRATION: Stallion Owner guarantees to pay for and file Stallion Breeding Reports with AQHA or other appropriate breed association, provided all fees are paid.

**Only foals for which a Stallion Breeding Report has been filed are eligible for registration.** SBRs filed late are subject to a \$50 fee and will be filed only after this fee is paid to Stallion Owner.

We release Breeders Certificates on-line, and will also mail paper copies upon request. While registration of the foal is the responsibility of the Mare Owner, we are happy to help with the process.

7. SEMEN REQUEST PROCEDURE: Complete the COOLED SHIPPED SEMEN INFORMATION FORM and return via mail or email, along with the contract, copy of Mare's papers, and booking fee.

**Requests for shipment must be made by phone at least one day prior to requested shipment.** Semen *order cancellations* must be made prior to 8:00 AM Pacific Time the day of collection. Mare owner is responsible for the cost of collection and/or shipment if order is not cancelled before collection and/or shipment takes place, and any future shipments will be charged the regular \$400.00 fee. **Semen orders are considered confirmed unless you call to cancel.**

PLEASE LET US KNOW IF YOU WANT TO PICK UP SEMEN OR MAKE OTHER TRANSPORT ARRANGEMENTS.

8. SEMEN SHIPPING CHARGES: \$400.00 per shipment, includes collection & extension, container, and FedEx Priority Overnight shipping charges. First shipment is included in the breeding fee. Unfortunately, changes in these fees are out of our control. Mare Owner agrees to pay additional cost.

Counter-to-counter shipments may be arranged for an additional fee (based on airline rates).

We do not ship outside of the United States.

A shipment of semen consists of a minimum of one (1) dose. Whenever possible we send two (2) doses. This depends on the number of semen requests on a collection day. Stallion Owners warrant that at the time of shipment, the semen conforms to the data contained in the cooled semen shipment report

submitted with the shipment. If for any reason semen does not meet our standards, we will notify Mare Owner immediately. **We are not responsible for the untimely delivery or condition of cooled-shipped-semen upon delivery as we have no control of the shipment after FedEx takes delivery. However, we do our best to insure Mare Owner receives viable semen on schedule.**

Return of Shipping Container by regular mail is appreciated.

9. PAYMENT: Payments can be made by check to Rhonda Hart, PO Box 488, Chattaroy, WA 99003. Or via PayPal to [RjMassinghamHart@yahoo.com](mailto:RjMassinghamHart@yahoo.com) If using the commercial option of PayPal, Mare Owner agrees to add \$7.00 for the booking fee, or \$35.00 for the entire paid breeding fee to cover PayPal fees.

10. ENTIRE AGREEMENT; CONSTRUCTION; JURISDICTION; ATTORNEY'S FEES. This Contract contains the entire understanding of the parties concerning its subject matter. The invalidity or unenforceability of any term or provision shall not affect the validity or enforceability of the remainder. The Contract shall be construed and governed by the laws of Washington State. Jurisdiction and venue for all disputes connected with this Contract shall be Spokane County, Washington. This contract shall not be valid or enforceable until signed and dated by the Stallion Owner after all fees are paid in full.
